

Early Stage Dementia Support Group

Meets each Tuesday at the

Schmieding Center for Senior Health & Education
2422 N. Thompson, Springdale, AR

October 29th - December 17th

10am – 12:00 pm

This support group is for individuals in the early stages of dementia and their care partners to connect with each other and to participate in activities that enhance and maintain strong social relationships.

Each week we will discuss different topics such as sharing the diagnosis, community resources, future planning, and much more.

Registration is required before November 5th!
Seats are limited.

Call 479-751-3043 or email SCInfo@uams.edu with questions.
